## IN THE AREA

Located just 5.5 miles from the historic market town of Penrith and 11 miles from the bustling town of Keswick, The Meadows provides the perfect blend of rural tranquillity and modern convenience.

Ideally positioned just off the A66, a short drive to the M6, and served well by local bus services, residents enjoy excellent access to surrounding areas and beyond.

From beautiful surroundings to a variety of amenities, Penruddock has much to offer. The village is home to a well-regarded primary school, making it ideal for families. The village hall is a great hub for an array of events and activities hosted throughout the year, fostering a strong community spirit. For socialising and relaxing, the local pub offers a friendly and welcoming atmosphere where you can enjoy a meal or a drink with friends and neighbours.

# ABOUT US

Atkinson Homes have been building award-winning homes for over 40 years in the Lake District and throughout Cumbria. Renowned for our exceptional quality and personalised service, we build homes that blend style, comfort, and lasting value. From first time buyer one-bedroom apartments to exclusive family homes in prestigious locations, we help *bring your dream home to life...*

We are dedicated to delivering excellence at every step of the journey, from the first consultation through to handover. Each new home is uniquely tailored to its surroundings, and we pride ourselves on accommodating each customer's needs wherever practical. This commitment to quality has earned us the trust of homeowners across Cumbria and the Lake District.

All stages of the construction will be inspected by our experienced construction staff, Local Authority Building Control, and Build-Zone as home warranty provider. Upon completion, each home is awarded with a 10-year Build-Zone structural warranty certificate. This includes a two-year builder warranty, and then eight years of structural insurance with Build-Zone.

*Your new home will be built in accordance with all relevant technical and building regulations.*

# BUILDING A BETTER FUTURE

---

## *Enhancing Local Areas*

Throughout the longevity of each project, we are committed to enhancing local areas by creating green spaces, community buildings, office buildings and aiding in education through construction or financial contributions. One of our key commitments is to plant 10,000 trees by 2032, a vital step in enhancing and protecting biodiversity in the areas we develop.

## *Energy Efficient Homes*

Our homes are designed with energy efficiency in mind, utilising the latest technologies to minimise energy consumption and reduce household carbon emissions. Each home is equipped with solar PV panels and an air source heat pump, ensuring renewable energy use and efficient temperature control. Paired with high-performance insulation, an airtight design, and efficient appliances, you can enjoy comfortable and sustainable living in your Atkinson home.

## *Sustainable Living*

Each home at The Meadows is equipped with electric vehicle charging points, ensuring the homes are fit for the future and support a low-carbon lifestyle.

At Atkinson Homes, we are passionate about sustainability - our mission is to reduce our carbon footprint and build thriving, sustainable communities.
